The Girl Who Walks The Waves

Story : Ha Nau Art : Go Ara Help : Jiemongja

Episode 16: To Be an Unwavering Tree

Our teenagers the surf shop with me.
We also sell accessories (t-shirts and bags).
But these don't sell well because people think the graphics suck.
Anyways we buy and sell surf boards and other accessories at our shop.

I like DJ. And so everyone calls me Deal.
I manage Camellia and rent out my guest house

And...

That guy ex Hyun Joo. He loves beer so he's building a small brewery. Because he's always making plans for the future. He guys tell him to live in the present.

But I think Hyun Joo is always living life in the present.

WAVE
WAVE

That's Sun Woo who is working at a lease company with Hyun Joo.

He's joining the army soon so he doesn't have a nickname.

SUNWOO

But after he's out Jeong Won is going to give him one.

The Surfer's Garden here is our hideout.

The Master is a surfboard shaper and our spiritual anchor.

Watch is why he's the Master!

Jin Woo Song is the head instructor of the surf school.

He's nice but boring. That's why he's "Jin Woo".

I'm called "Jin Woo" because I'm boring..?

Simply genius.

Yes!

Even though he seemed your dog, he can't seem to figure out your reactions

Since you appeared in a chic Audi, we call you Udi!

Ai..
So that's why I'm Udi.
Do you not like it?

No...
shake
I like it
shake

I'm good at running people.
You're leaving!
When you hear Udi, I feel like I'm in a forest

So you should be more like an unwavering tree!

Unwavering like a tree...

Is everybody training for the surf competition?

As usual Jin Woo attempts the moment to talk about practice.
Wha

We have 45 days until the competition so we should start training at dawn again.

As long as there's a wave, we'll practice. But Hyun-Joo probably won't be able to wake up for it

What's that supposed to mean?!

Master! Will you give the winner a custom-made board?

Oooh? I'd practice every dawn for that

That's a good idea. Sure.

Really?!

That board is mine!

Can you have no chance of winning if I'm also participating

I have a feeling that Lili is going to be a strong competitor.

That's a funny thing to say

Anyways, let's not wanna rush. Mom!
Yeah, before it gets burnt

Lili
Even though they talk like that they're nice kids.

Leave Kit and Mike to their Fate
Later Grandpa!

No problem

D-45

Good morning!

Hello!
Good morning!

What should we do with all this energy?
Shall I just run the tournament?

But Big Bro I'm the winner!

Ding~
Dong~

And as usual Hyun Joo won't learn
He always sleeps late so he has a hard time waking up

What was that Sun Woo?

Hyun Joo! Did something happen?
I think I know what's going on.

I'll stay quiet for now

Since Yeon Jae is also here, our crew will perform well at the tournament

There are only 45 days left so we have to work hard!

Ye - ah!

Paddle

Why do I keep
fulfilling fashion!?

Do you see the difference?
mind
read

It's easier to see the difference in video
Moving your arms faster won't make you paddle better

Jin Woo is acting different from when he mentioned me
I guess Eli really is his favorite pupil
Son? There's something strange going on

Yeah.

WOOSH
